

Katherine LeMasters
katherine.lemasters@cuanschutz.edu

Current Position

2023- **University of Colorado Anschutz Medical Campus**
Division of General Internal Medicine | Department of Medicine | School of Medicine
Department of Epidemiology | School of Public Health
Assistant Professor

Education

University of North Carolina at Chapel Hill, May 2023
Epidemiology, PhD
Dissertation: *Mass Probation: Individual and Community Effects of Sentencing Severity on Mental Health Inequities*

University of North Carolina at Chapel Hill, 2018
Maternal and Child Health, MPH

Washington and Lee University, 2015
Economics, BA
Global Politics, BA

Areas of Interest and Expertise

Social Epidemiology • Social Demography • Health Equity • Mass Incarceration • Structural Determinants of Health • Community-Based Participatory Research • Epidemiologic Methods • Quantitative Research • Qualitative Research

Grants and Fellowships

2025	General Internal Medicine Micro Grant at the University of Colorado Anschutz Medical Campus to qualitatively explore the experiences of aging individuals with disabilities after incarceration. \$2,500. Role: PI.
2025	Aging Research in Criminal Justice Health Network pilot award to explore the health impacts of legal competency waitlists for those with dementia. \$50,000. Role: PI.
2025	University of Colorado Population Center to explore the health impacts of legal competency waitlists for those with intellectual and developmental disabilities. \$15,000. Role: PI.
2025	Evidence for Action: Innovative Research to Advance Racial Equity Award from the Robert Wood Johnson Foundation to explore ways to reduce fragmented sleep from law enforcement helicopter surveillance. \$580,000. Role: Co-I.

2025	University of California at San Francisco Population Health and Health Equity Scholars Award to study the health implications of competency waitlists for people with disabilities in the criminal legal system. \$20,000. Role: Co-I.
2025	Colorado Department of Corrections Grant to evaluate the state prison system's Medication Assisted Treatment program for substance use. \$50,000. Role: Co-PI.
2024	General Internal Medicine Small Grant at the University of Colorado Anschutz Medical Campus to qualitatively explore mental health and substance use needs for those in jail and on probation in the Denver metro area. \$22,500. Role: PI.
2024	AB Nexus Grant at the University of Colorado Boulder to identify infrastructural, institutional, and epidemiological drivers of health risks related to extreme temperatures in Colorado prisons. \$75,000. Role: Co-PI.
2024	Community Engagement and Health Equity Pilot Grant at the University of Colorado Anschutz Medical Campus to build a Community Advisory Board around mental health and substance use needs for those in jail and on probation in the Denver metro area. \$8,000. Role: PI.
2023	The state of Colorado and Behavioral Health Administration study to assess health and criminal legal impacts of making fentanyl possession a felony. \$550,000. Role: Co-I.
2023	Collaborative Pilot Award funded by the National Institute for Drug Abuse and distributed through the Lifespan/Brown Criminal Justice Research Training Program to analyze the relationship between post-release supervision and emergency department visits for mental health and substance use. \$20,000. Role: Co-PI.
2021	The National Institutes of Minority Health and Health Disparities F31 Predoctoral Fellowship (F31MD017136) to fund dissertation research on the individual and community effects of probation on mental health disparities. \$69,651. Role: PI.
2021	Pilot Award funded by the National Institute for Drug Abuse and distributed through the Lifespan/Brown Criminal Justice Research Training Program to conduct interviews with individuals on probation about mental health. \$16,200. Role: PI.
2021	Health Services Research Predoctoral T32 Training Fellowship at The Cecil G. Sheps Center at the University of North Carolina to fund full-time predoctoral training. Role: Predoctoral trainee.
2020	Center for the Study of the American South Southern Futures Summer Research Grant at the University of North Carolina to conduct community-engaged research in rural North Carolina on structural determinants of perinatal mental health. \$3,000. Role: PI.
2019, 2020	The North Carolina Translational and Clinical Sciences Institute Stakeholder Engagement Voucher to create a Community Advisory Board in rural North Carolina on structural determinants of perinatal mental health. \$2,000. Role: Co-PI.
2019	Carolina Center for Public Service Partnership Mini-Grant at the University of North Carolina to partner with youth leaders in Durham, North Carolina around PrEP for HIV prevention. \$300. Role: PI.
2018	Population Research Predoctoral T32 Training Fellowship The Carolina Population Center at the University of North Carolina to fund one year of full-time predoctoral training. Role: Predoctoral trainee.

2018, 2019	Graduate Student in Participatory Research Seed Grant at the University of North Carolina to conduct community-engaged research in rural North Carolina on structural determinants of perinatal mental health. \$1,200. Role: PI.
2018	Carolina Center for Public Service Community Engagement Fellowship at the University of North Carolina to form a partnership in rural North Carolina on perinatal mental health. \$2,500. Role: PI.
2017	FHI 360 Fellow through the University of North Carolina for one-year of full-time student coursework and research to conduct global health research. Role: student trainee.
2016	Doctoral Merit Assistantship at the University of North Carolina for one-year of full-time student coursework and research. Role: student trainee.

Selected Honors and Awards

2025	University of Colorado General Internal Medicine Research Excellence Award
2024	University of Colorado Teaching Scholars Program
2024	University of Colorado Clinical Faculty Scholars Program
2024	University of Colorado Population Center Faculty Affiliate
2023	Delta Omega, Honorary Society for Public Health
2022	Interdisciplinary Association for Population Health Sciences Poster Winner
2022	University of North Carolina - Graduate Certificate in Participatory Research
2021	Lifespan/Brown Criminal Justice Research Program on Substance Use and HIV Scholar
2021	Interdisciplinary Association for Population Health Sciences Travel Award
2021	Council of State and Territorial Epidemiologists Travel Award
2021	Academic and Health Policy Conference on Correctional Health Student Scholarship
2020	University of North Carolina Office of the Provost Public Service Award for Engaged Research
2018	University of North Carolina - The Graduate and Professional Student Federation Travel Award
2018	University of North Carolina - Maternal and Child Health Alumni Committee Travel Stipend
2017	University of North Carolina - Graduate Student Transportation Grant
2016	Honorable Mention Southwestern Social Science Association Conference Undergraduate Paper

Professional Experience

Consultant

Health Impacts of Criminal Penalties for Fentanyl Possession in Colorado 1/2023-7/2023

- Analyzing the relationship between making fentanyl possession a felony and health including overdose and substance use treatment in the state of Colorado.

Consultant

3/2021-Present

Lifespan Transitions Clinic

- Assessing the relationship between the Transitions Clinic and structural, social, and individual determinants of health among all individuals released from Rhode Island Department of Corrections between 2018-2020.

Mental Health Epidemiologist

2/2020-12/2021

Division of Public Health, Injury and Violence Prevention Branch

NC Department of Health and Human Services

- Conducted data analysis on case definitions for emergency department visits for mental health and substance use in the state of North Carolina.

Research Assistant

1/2020-5/2023

Re-Envisioning Health and Justice Lab (Dr. Lauren Brinkley-Rubenstein)

- *Third City Project*
 - Conducting quantitative and policy analyses on cause-specific mortality data and other publicly available health data in carceral settings.
 - Coordinating a Community Advisory Board to oversee democratization of carceral data.
- *The Southern Pre-Exposure Prophylaxis (PrEP) Cohort Study of Parolees*
 - Assisting with participant recruitment and retention at parole and probation offices.
 - Administering surveys and conducting semi-structured interviews with recently incarcerated individuals around PrEP acceptability, initiation, and sustained use.
 - Conducting quantitative and qualitative analysis and leading papers on PrEP among parolees.
- *The COVID Prison Project*
 - Conducting quantitative and policy analyses on the COVID-19 pandemic in carceral settings.

Research Assistant

2/2019-12/2021

A community-based approach to understanding PrEP care in at-risk adolescents

(Dr. Marie Stoner; Dr. John Mitchell)

- Formed a community-academic partnership with adults and adolescents in Durham on HIV risk and PrEP.
- Facilitated workshops with community members to define priorities regarding HIV and PrEP.

Eunice Kennedy Shriver National Institute of Child Health and Human Development

8/2017-5/2023

Pre-doctoral Trainee at the Carolina Population Center

Bachpan Perinatal Depression and Early Child Development Study (Dr. Joanna Maselko)

- Leading paper writing and data analysis on postpartum practices, adverse child experiences, social support, and maternal mental health in Pakistan.

Measurement, Learning, and Evaluation Project for the Urban Reproductive Health Initiative (Dr. Ilene Speizer)

- Creating and analyzed quantitative vignettes and focus group discussions focused on social norms related to family planning in Nigeria.

Principal Investigator

3/2017-06/2022

Mothers Improving Pregnancy and Postpartum Health Outcomes Through stOry Sharing

(MI-PHOTOS) (Co-PI: Dr. Elizabeth Bledsoe)

- Forming a community-academic partnership with the Robeson County community on perinatal health.
- Conducting a photovoice project with mothers in the community on their perinatal health concerns.

Research Assistant

10/2019

Piedmont Health Services Pilot Award (Dr. Kathryn Wouk)

- Conducted quantitative data analysis using electronic medical records on predictors of prenatal care at a local network of federally qualified health centers.

Research Assistant

5/2019-9/2019

The North Carolina Institute for Public Health

- Conducted quantitative and qualitative data analysis on a health equity initiative for African American communities in North Carolina affected by gentrification.
- Supported health equity initiatives in NC on breastfeeding, physical activity, community clinical linkages.

Research Assistant

5/2018-5/2019

Perinatal depression and engagement in HIV care among women in Malawi: Formative

research to support the development of a culturally appropriate mental health treatment intervention

(Dr. Brian Pence)

- Created interview and focus group discussion guides for women and health care providers on living with HIV and perinatal depression.
- Analyzed interview transcripts and leading paper writing on women's experience living with HIV and perinatal depression.

Consultant

5/2018-8/2018

Institute for Reproductive Health at Georgetown University

- Finalized a toolkit of methodologies that measure social norms surrounding adolescent sexual and reproductive health around the world via a Learning Collaborative.
- Conducted social network analysis on family planning networks in Benin.

Normative Change for Adolescent Sexual and Reproductive Health and Well-Being Fellow 5/2017-5/2018

FHI 360-UNC Public Health Fellowship – Behavioral, Epidemiological, and Clinical Sciences

- Conducted factor analysis on measures of social norms for family planning in the Democratic Republic of the Congo and integrated measures into structural equation models.
- Created a compendium of methodologies that measure social norms on adolescent sexual health.
- Supported grant applications for stakeholder engagement in communities at-risk for HIV in Durham, NC and for savings groups with HIV-positive adolescents in South Africa.

Research Assistant 5/2017-5/2018

A qualitative study of negative provider behaviors in Kenya (Dr. Katherine Tumlinson)

- Analyzed interviews from healthcare providers on facility-level barriers to contraceptive access in Kenya.

Research Assistant 8/2016-5/2017

Carolina Population Center – Measurement, Learning, and Evaluation Project for the Urban Reproductive Health Initiative (Dr. Ilene Speizer)

- Conducted literature reviews on sustainability evaluations in family planning in developing areas.
- Analyzed quantitative data from a four-country study on family planning interventions.

Cluj School of Public Health International Fellow 9/2015-7/2016

- Developed and conducted a qualitative study on Roma women's pregnancy experiences.
- Organized global health practicum and participated in sociology, qualitative methods, and maternal and child health coursework.

Institutional and Professional Activities and Service

Mountain Plains Addiction Technology Transfer Center Health Disparities Workgroup 2025-Present

Unbound Authors 2024-Present

- Hold writing labs and workshops in Colorado state prisons with incarcerated writers.

Alternative Metrics to Criminal Justice Success Working Group Member 2024-Present

- Member of statewide Colorado coalition to define alternative metrics to recidivism.

University of Colorado Injury and Violence Prevention Center Faculty Member 2024-Present

University of Colorado Center for Health Equity Faculty Affiliate 2024-Present

Academic Consortium on Criminal Justice and Health Education Committee Member 2023-Present

Academic Consortium on Criminal Justice and Health Research Committee Member 2023-Present

Abolitionist Public Health Faculty Network 2024-Present

- Collaborating with faculty members across the country to build abolition of mass incarceration into public health teaching, research, grant funding, publications, and university relations.

Legislative Endorsement 2024

- Actively contributed to and endorsed Federal [Environmental Health in Prisons](#) Act

Society for Epidemiology Research Descriptive Epidemiology Playlist Author	2024
Kaiser Permanente Substance Use Working Group Member	2023-Present
Abolitionist Public Health Student Network	2022
<ul style="list-style-type: none"> Collaborating with graduate students across the country to build abolition of mass incarceration into public health curriculum, research, and campus relations. 	
UNC Department of Epidemiology	2019-2021
<ul style="list-style-type: none"> Collaborated with faculty to create a racial equity lens within the epidemiology methods curriculum. 	
UNC Social Epidemiology Journal Club Organizer	2019-2020
Epidemiology and Justice	2018-2020
<ul style="list-style-type: none"> Organized journal clubs, seminars, and events at the intersection of epidemiology and social justice. 	
Triangle Empowerment Center: Triangle PrEP Workgroup Member	2018-2020
<ul style="list-style-type: none"> Supported grant writing and development for a local organization serving minority LGBTQ+ communities in North Carolina. 	
Partnership for a Healthy Durham: HIV/STI Sub-Committee Member	2017-2020
<ul style="list-style-type: none"> Participated in a community partnership to reduce HIV/STI occurrence in Durham. 	
Student Health Action Coalition: HIV	2016-2019
<i>Counselor (2016-2019), Manager (2018-2019)</i>	
<ul style="list-style-type: none"> Provided HIV and STI testing and counseling. Established a community-based partnership with an organization serving community members experiencing homelessness. 	
The Arts Therapy Institute: Participatory Research Intern	2018-2019
<ul style="list-style-type: none"> Supported a participatory evaluation of an art therapy group for refugee youth. 	
Minority Student Health Conference: Speaker's Committee	2016-2017
<ul style="list-style-type: none"> Invited and coordinating speakers for breakout sessions for student conference. 	

Teaching and Mentoring

Instructor of Record	
<ul style="list-style-type: none"> Reflections on Incarceration and Wellbeing, University of Colorado Fundamentals of Epidemiology, Elon University 	2025 2022
Practicum Advisor	2024
<ul style="list-style-type: none"> Advised Master of Public Health Students on their community-engaged practicum on harm reduction. 	
Capstone Preceptor	2024
<ul style="list-style-type: none"> Advised Master of Public Health Students on their capstone on incarceration and health. 	
Graduate Teaching Assistant	
1. Introduction to Social Epidemiology, University of North Carolina at Chapel Hill	2021
2. Leading for Racial Equity, University of North Carolina at Chapel Hill	2019
3. Methods & Measures for Public Health Practice, University of North Carolina at Chapel Hill	2019
Carolina Population Center Undergraduate Student Mentor	
<ul style="list-style-type: none"> Mentored college juniors on population health projects and preparing for graduate school. 	2019
